

How to Draw a Bunny

1. Draw an upside down "U" shape draw a straight line across the bottom.

2. Add two long ears.

3. Draw two dots for eyes, a "V" for a nose and a "U" for a mouth.

4. Draw two "U" shapes for paws.

5. Add sideways "U" shapes for back feet.

6. Add a backwards "C" shape for back leg and round fluffy tail. Add lines for toes.
